more infos...

*Powered by **Akumendo** framework, our stand-alone **Patrol** system allow to use an iPhone or an iPod to make your guard tour scanning **QR codes** at each location and sending automatically to **log file** the acknowledgement....*
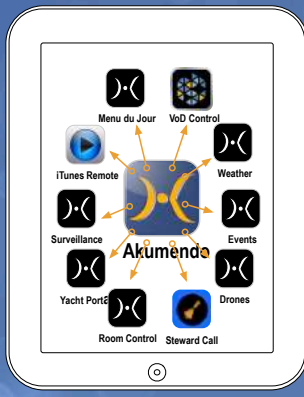

*Our system is part of a wider **function** based set of stand-alone options to leverage **Crew and Staff** workflow...*

- **Patrol App use Wifi, GSM, GPS for localization**
  - ‣ Can work offline with Wifi LAN and phone GPS
  - ‣ Send S.O.S message with last position known
- **QR Code wall patch scanning:**
  - ‣ QR code waterproof patches supply with App system server
  - ‣ QR code patched in each room to survey
  - ‣ Logs autosaved in Akumendo Back office
- **All Patrol activity is logged and can be exported to spreadsheets, database, intranet webpage, and emails…**
- **Send incidents reports including text, photos, voice records.**
- **Easy integration with other Akumendo sub-systems like our CrewDesk App …**
