

Signage

Powered by **Akumendo** framework, our stand-alone **Signage** system can display **any** informations on large displays and on iPad to provide easy and seamless yet much **more** efficient ways to inform **Guests and Owner...**

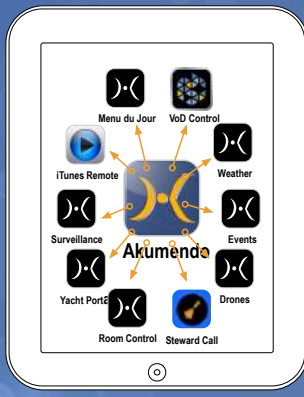

Our system is part of a wider **function** based set of stand-alone options to leverage **Crew and Staff** workflow...

- **Signage can be configured with many layouts and skins :**
 - ▶ a sober professional presentation for calendar or flash infos
 - ▶ a stylish design for Hotels lobbies
 - ▶ a highly designed skin for Mega Yacht or Cruise vessel infos
- **Signage can display many local picks :**
 - ▶ from any CCTV system (underwater camera, sundeck restaurant...)
 - ▶ from any significant local datas (water temp, air temp, heading, ...)
 - ▶ from current position on board (You are here!...)
 - ▶ from restaurant menu, meeting rooms booking, happy hours event.
 - ▶ from the weather forecast
 - ▶ from any wishes you may have to display....
- **Crew members can easily manage the system with our back office**
- **iPad App is available to follow Signage informations in live**
- **Easy integration with other Akumendo sub-systems like our Guest info system and our full Entertainment system.**
